EXCERPT FROM REPORT TO THE ACTING DD/I on 8 December 1952

1. OIC advised Mr. Trueheart of the Department of State on the question of intelligence support to the Senior Representative Europe that CIA:

- a. considers the problem of National Intelligence Estimates is taken care of with their provision to [] by State; ^{25X1A9a}
- b. considers SRE need for the full Watch Committee Report was decided when IAC disapproved its dissemination to SRE - the Watch Committee report summary is given to [] by State; ^{25X1A9a}
- c. is not prepared to publish a special version of OCI material for use of the SRE;
- d. participates in arrangements already in existence for the provision of covert support in Europe;
- e. considers State, when it provides intelligence support for the SRE, has already included in that intelligence support CIA information; and
- f. If there are additional requirements whether for current intelligence, covert information, or other, should receive these requirements from State and consider them case by case: for example, if it is determined by SRE and State that additional covert support is necessary the requirement can be laid on FI by State; if it is determined by SRE and State that State cannot meet the current intelligence requirements of SRE then an additional requirement can be laid on OCI by State. ^{25X1A9a}

2. In a conversation with [] Intelligence Officer for SRE, in his visit on 9 December to the Department of State, AD/IC advised, in general, that the needs of SRE for intelligence be met through the Department of State.
